Glory Link, RCCG Redemption Camp, Ogun, 110115

SUMMARY

I am a detail-oriented, motivated, and proactive frontend developer proficient in HTML, CSS, Bootstrap, JavaScript, jQuery. Familiar with React, SASS and experience with Firebase and Node.js. In addition I am skilled in debugging, testing, and collaborating with other developers to deliver high-quality projects. My passion for staying up-to-date with emerging technologies and dedication to creating exceptional user experiences make me a valuable addition to any team.

EXPERIENCE

November 2021- *Front-end Developer Intern, RCCG ICT Plaza*

February 2022

- Successfully identified, diagnosed, and fixed website problems, including broken link, typographical errors, and formatting issues.
- Completed programming projects that complied with existing coding standards and design styles.
- Verified front-end code functionality across browsers and platforms.
- Leveraged mastery of HTML, CSS and JavaScript to build top quality code for diverse projects.

May 2021 –
October 2021

Demography Intern, RCCG National Secretariat

- Leveraged statistical methods to analyze data.
- Reviewed large amounts of data across various sources to determine improvement.
- Delivered status update to supervisors concerning new challenges based on data analyzed.
