RCCG Redemption Camp, Ogun State, 110115

SUMMARY

I am a detail-oriented and highly motivated junior frontend developer proficient in HTML, CSS, Reactjs, JavaScript, jQuery, SASS and Bootstrap. I also have experience working with Firebase. In addition, I am skilled in debugging and testing. My passion for staying up to date with emerging technologies and dedication to creating exceptional user experiences make me a valuable addition to any team.

EXPERIENCE

November 2021- February 2022

Front-end Developer Intern, *RCCG ICT Plaza*

· Successfully identified, diagnosed, and fixed website problems, including broken link, typographical errors, and formatting issues.
· Completed programming projects that complied with existing coding standards and design styles.
· Leveraged mastery of HTML, CSS and JavaScript to build top quality code for web projects.

May 2021 – November 2021

Demography Intern, *RCCG National Secretariat*

· Leveraged statistical methods to analyze data.
· Reviewed large amounts of data across various sources to determine improvement.
· Delivered status update to supervisors concerning new challenges based on data analyzed.

EDUCATION

Federal University of Technology, *Akure, Ondo*
January 2016 - Present: Bachelor of Technology in Statistics

Mayflower School, *Ikenne, Ogun*
2012 – 2015: High School Diploma
